Cemetery Commission Minutes 03/11/2010

Present: Commissioners Michele Hassler and William McCarthy, Jason Jones, Acting Cemetery Supervisor and Mr. Labbe, son of SG owner, U-263C

1. Meeting started at 9:06am
2. Minutes approved from February 11, 2010
3. Opened the meeting with Mr. Labbe. He asked the commissioners to revisit their decision on denying his request to have an upright monument on a flat marker site, despite his knowing that it was a flat marker site at the time of purchase. The commissioners and cemetery staff all went to the U-263C site and showed/measured/discussed why the request was denied previously. The commissioners continued to abide by their original decision to deny the different marker and informed Mr. Labbe of this at the meeting.
4. Discussed the Boles plot, C-173. The granite curbing separated causing the engraved step to split in half. Should be complete by April 1st with the cemetery crew digging out and leveling the curbing and Kevin Duffy of Line and Stone fixing the step.
5. Jimmy Dodge said that Prescription Turf is all set for grass treatments.
6. Eldco's contract ends in December 2010.
7. Michele stated that the Cooke's Hollow meeting went well with the abutters.
8. The Old Burying Ground (OBG) vault door was secured by welding together the hinges, per Jason Jones. Joanne Robinson will let Michele know of any progress in the restoration of the OBG wall.
9. Talk to Jimmy Dodge about repaving roads and putting in new water lines.

Meeting adjourned at 11:09 and the next meeting is scheduled for April 08, 2010.

Respectfully Submitted,
Jean Smith, Sr. Clerk
